Report of Principal and School Improvement Council

Whitmire Community School, embedded in the Sumter National Forest of northern Newberry County, offers a unique learning environment as a PreK-12 facility. The rural town of Whitmire is commonly known to residents and travelers as the Pearl of the Piedmont. WCS is an accredited institution according to the AdvancEd Standards for Quality. WCS is also a SREB High Schools That Work site and has been recognized by the Palmetto Gold and Silver Award Programs.

The classroom instruction at WCS is based on South Carolina state standards with a focus on reading and writing instruction. Reading and writing instruction is integrated across all grade levels and content areas with a shared responsibility of all students, parents, and teachers. WCS promotes reading and writing throughout the school and community with programs and opportunities such as Family Message Journals, the Wee Delivery Postal System, author visits, Reading with the Wolverines, Reading with the Gamecocks, SC State Read-In, Read Across America Week, and Teen Read Week.

WCS continues to implement the Measure of Academic Progress (MAP) assessment program for grades 1-10 to measure student growth in Reading, Language Usage, and Mathematics. The Leadership Team analyzes data and has meetings with grade-level teams and content-area teachers to discuss data, set goals, and decide on the best instructional strategies for students based on individual strengths and weaknesses. Goal-setting is based on data from the following: classroom assessments, Dominie, MAP, PASS, HSAP, and EOC. Computer software such as Odyssey and A+ is used for remediation, enrichment, and credit recovery. A daily enrichment period is scheduled for grades 3-8 along with Language/Math Lab classes for 9-12 students. Professional development continues to focus on literacy, best practices, and instructional technology. Teachers are instructional leaders by sharing best practices and technology strategies with their peers. Staff members are required to meet technology requirements for professional development and recertification.

The WCS Nature Trail is a major addition to the campus. The goal of the trail is to provide learning opportunities in all grade levels and content areas in the great outdoors.

WCS continues to promote student achievement and prepare all students to be Wolverines Committed to Success.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
